

## Flooring: Core Collection

[kovaproducts.com](http://kovaproducts.com)

# Good design doesn't have to be expensive.

KOVA Flooring is curated with function and performance in mind to complete your interior spaces with timeless and style transcending colors. Ranging from LVT options that offer a multitude of wear layers for durability to SPC options that have attached sound-abating pads to combat sound transmission. KOVA flooring offers you ease of mind and longevity through premium materials that allow for easy replacement and maintenance.
